**Matthew 12:30** “He that is not with me is against me; and he that gathereth not with me scattereth abroad.” (Either we gather or we scatter. Which are we?)

## "LOOK FOR HIS COMING"

All Scriptures Are Quoted From The King James Version Of The Bible.

Have You Come One On One With The Lord?

### **Why Study Endtimes Scriptures? Part II**

**Disillusioned** : Many have me confused – examples below

Rapture Theory: It appears they think the last trump must sound before any of the trumpets in Revelation sound.

Certainly they would know who the beast is since the Lord will not return until the beast reveals himself.

Beast enters the temple and takes away the daily sacrifice. Anyone believing in the pre-tribulation Rapture theory could easily be deceived in thinking that could not be the beast because I am still here. The temple will have to be raised for the scriptures to be fulfilled. (no mention of the earthly temple until Rev. Chapter 11)

Miracles will be preformed making many think it is the Lord doing them.

Christian Sabbath has replaced the Sabbath that God Himself blessed, sanctified, kept, wrote it in stone with His finger placing it in the Ten Commandments and later placing it in the Ark of the covenant in the Holy of Holies in the Tabernacle later the Temple. (Holy of Holies where God Himself went) Keep the Sabbath and keep it holy was one of the 10 Commandments.

Satan has laid a good foundation in these last days for deception. We have mostly raised our children up training them in the ways of secular humanism in our schools. The higher the ladder in education the more exposure to the Humanist doctrine. It has spread from our schools to Government, causing us to have humanistic laws, humanist decisions from the bench of many judges and even into our churches. Many churches are operated like a business often by humanistic principles.

Modern versions of the Bible (in excess of 230 versions and rising) has caused us to stray from the original word.

John Nelson Darby with the Rapture theory in the early 1600's in the British Isles has spread the Rapture theory coming mostly through the Plymouth Brethren, Moody, The Southwest Theological Seminary and Schofield until our present time.

When I was convicted to study end times many years ago I started out by collecting all the end time

related scriptures I could find then putting them into categories and listing them in this manner. I now have them posted on a web-site [www.endtimescriptures.com](http://www.endtimescriptures.com) under the tab for end times. I would estimate there are between 200-300 pages. There are some duplication due to one scripture applying to more than one category. This gives you a broad view of what is about to happen.

I clearly understand the most important thing that a believer can do is spread the gospel leading to the converting of souls. Answer the question Why, Why, did the Lord give us such a great percentage of His Word telling His servants what is going to happen if He did not want us to understand? In Revelation we are told to keep the words of this prophesy and blessed is he that keeps the sayings of this book, but we say it is not meant to be understood.

We often say that Matthew chapter 24 is for the Jews and dismiss it from our minds and Revelation is not meant to be understood. Many say it is in the Old Testament and has been fulfilled and we do not have to worry about it. Yes, our humanist task masters have trained us well to dumb us down in the Word of God. Satan has deceived man from the Garden Of Eden until now and will continue to do so until the prophesy is fulfilled and Satan and his are placed in the Lake Of Fire for their final abode.

Do you notice on all the easy believism ideas that it makes it easier on us with less studying and effort?

They so often echo "I do not have to worry about that I will not be here". We have reached the point if we decided that we might be wrong and we might have to go into the tribulation period and really want to know I fear few there be that understand enough to teach us. We will never understand until the Spirit of God opens our eyes and hearts giving us wisdom and knowledge of what God's word has given our generation.

Look in the book of Daniel in the twelfth chapter where Daniel himself did not understand. This is in the last chapter of Daniel and he still did not understand. The heavenly messenger gave him a key or keys to help Daniel understand. Note that Daniel had no New Testament scriptures including Revelation and what is given in the gospels and other portions of the New Testament.

### Why Do We **Not** Keep The Sabbath?

Have not been taught to  
Peers do not keep it  
Do not want to give up  
Cannot get a job  
Lose freedom to do what we want to  
Cannot buy or sell  
Cannot cook  
Cannot transact business  
That came out of the Old Testament  
Do not believe we will be least in the kingdom if we do not keep it and teach men to do so  
Not comfortable with it  
Go against my peers who will not understand  
Be ridiculed  
Have to take a stand  
Go against the flow or tide  
Have to be able to show others why I keep it  
Go against my family

I would not be accepted  
Just plain do not want to  
Do not have the faith to  
See no need  
Not essential to salvation  
What is in it for me  
Do not think it will increase my faith  
Other people are not keeping it  
Society is set up to where I cannot  
Do not see others doing it  
I was not brought up to keep it  
Legalistic  
Have to prepare for the Sabbath  
Do not know how to keep it  
No one really knows what day it is really on

### If I Were To Keep The Sabbath

What job could I get  
When would I plant a crop  
When could I cut hay  
When would you start a job  
When would you finish a job  
Prepare cold meals  
Shop ahead  
Think ahead  
Do ahead

Do we really want to keep the Sabbath?

Ask most Christian what the Christian Sabbath is and see if they do not respond it is the day we celebrate the resurrection of Christ and a day of worship. God set it up as a day of rest and said to keep it holy. God Himself kept it and later wrote it with his finger in stone.

Who keeps the Christian Sabbath?  
Yet, we debate and argue with most keeping neither.

Why Can't People See? I Believe God Himself Will Have To Open This Generation's Eyes

### First Day Of The Week

Week has the same New Testament definition as Sabbath in the Greek in Strong's Concordance.  
Look it up for yourself. (Reread first day of the week after looking it up – shocking is it not.)
