PERPETUAL COVENANT / SIGN / EVERLASTING COVENANT

Ex. 31:16 Wherefore the children of Israel shall keep the sabbath, to observe the sabbath throughout their generations, for a **perpetual covenant**.

Ex. 31:17 It is a **sign** between me and the children of Israel for ever: for in six days the LORD made heaven and earth, and on the seventh day he rested, and was refreshed.

Lev. 24:8 Every sabbath he shall set it in order before the LORD continually, being taken from the children of Israel by an **everlasting covenant**.

When was the seventh day of the week blessed and sanctified?

Genesis 2:2 And on the seventh day God ended his work which he had made; and he rested on the seventh day from all his work which he had made.

3 And God blessed the seventh day, and sanctified it: because that in it he had rested from all his work which God created and made.

If the Lord's Day has replaced the Sabbath why do most people not keep it?

I can remember when the blue law as enforced locally.

What was the blue law?

What is a Christian Sabbath?

Blue Laws – legally prohibiting the sale of certain items on Sunday (Christian Sabbath)

Blue laws were enacted for the Christian Sabbath. It restricted shopping on a certain day. In some areas alcohol sales are restricted at given times. I can remember when only one Drug Store and One Gas Station were allowed in a town of around 20,000. The idea was that if a person needed medicine or if a traveler needed gas it could be purchased. Undoubtedly it was felt it was a time for church services. Alcohol was not sold and most people did not work.

A preacher I knew, who recently died, said when he was young that a man plowed his fields on Sunday. The church brothers said since he was not a member they had no control over him. They went one at a time telling him they did not believe in doing this and requested he stop, because they did not want this evil before their children. The man then stopped plowing on Sunday.

Years ago many prepared meals on Saturday for Sunday, fishing and hunting were not allowed by the more conservative believers. Sunday was regarded as a day of rest and worship.

Recently I was talking to an old line preacher and he agreed with everything I said about the Sabbath until I mentioned the Sabbath was on Saturday. A blank look came across his face which stunned me until I realized that he and many people look at the Sabbath as being the Christian Sabbath on Sunday.

I find no place in the Bible where God changed the day from Saturday. The seventh day of the week was sanctified and blessed around 2, 500 years before the law was written by the finger of God. Being written by the finger of God gives me the impression that it was intended to be permanent and without question. Many say we do not know which day Saturday falls on, leading to critical dispute, but remember it was at the time of Moses when the ten commandments were written. The books of the Law in the Bible are an example of the record keeping from his time forward. A record was even kept of each location Israel camped in the wilderness for 40 years. I fail to know of the Jews questioning which day the Sabbath falls on. Usually those critical of the Sabbath and Christian Sabbath have no intention of keeping either. Most calenders have a seven day week making it simple to know what is the first and last day of the week whatever calender you are using.

Isa. 58:13 If thou turn away thy foot from the sabbath, from doing thy pleasure on my holy day; and call the sabbath a delight, the holy of the LORD, honourable; and shalt honour him, not doing thine own ways, nor finding thine own pleasure, nor speaking thine own words:

RESPECT – HONOR – SUBMIT – BE WILLING - OBEY

Exodus 20:8 Remember the sabbath day, to keep it holy.
