ALL SCRIPTURES ARE QUOTED FROM THE KING JAMES VERSION OF THE BIBLE.

HAVE YOU COME ONE ON ONE WITH THE LORD?

Part I Of II

ARE THE BLIND LEADING THE BLIND?

1 Cor 14:33 For God is not the author of confusion, but of peace, as in all churches of the saints.

Recently I was discussing the many modern versions of the bible with a manager of a bookstore. He told me he had 140 versions of the bible but he did not have the other 90 versions. He said thus far he had not come across any version, in his opinion, to even come close to the King James Version. Where he got his information on the total number of the different versions I do not know. He was in a position to get a close estimate.

CRITICAL THINKERS

Secular Humanism is man taking care of the affairs of man separate and apart from God.

Critical Text is man deciding what is right and wrong in the text. (In many cases the text do not even agree with one another)

Most all of the modern day versions refer to their text as a critical text. Many are proud to call their text Critical Text. What is a Critical Text? It is the altered Text to what they believe is correct. Altered from what?

THEY HAVE REVISED THE GREEK.

Most scholars agree to get the true meaning go to the Greek. Do most know that the original Greek was revised before the King James Version was revised?

Please go to the following site and to the Introduction to the New Testament in Greek by Westcott/Hort and read part of the 579 pages and see for yourself. There are literally hundreds of ways to question the word of God. How could a Christian have even written such. Please read it for yourself. If you are going to follow this philosophy then at least know what you are following. To me the sin had already been committed when the desire to want to change God's word was conceived in the heart before the original Greek had been revised (or changed).

THE REVISED VERSION

The following quotation was taken from:

Holy Bible, - The New Analytical Bible and Dictionary, authorized King James Version, John A. Dickson Publishing Co. Chicago Section The Bible Part IV, page 19 paragraph 11. THE REVISED VERSION (A. D. 1881-1885)

“Expressed need for a revision of the King James Version became more vocal from the mid-nineteenth century for these reasons: Ready access to a treasury of early manuscripts (such as Codex Vaticanus, Codex Sinaiticus, and Codex Alexandrianus) and versions not available to the King James scholars, the emergence, since 1611, of the science of textual criticism, which teaches the values of these document and the best methods of dealing with them; better acquaintance of scholars with languages of the Bible and consequent better ability to distinguish between fine shades of meaning; and the natural growth of the language in 250 years, by which process many words in the King James Version became obsolete and some changed their meaning completely.”

ANY ONE ABLE TO FIND WHAT RELIGIOUS AFFILIATION KARL KONARD FREDRICH WILHELM LACHMANN OR LOBEGOTT FREIDRICH CONSTANTIN (VON) TISCHENDORF MAY HAVE HAD I WOULD APPRECIATE YOU NOTIFYING ME. I HAVE SEARCHED AND WAS UNSUCCESSFUL. IF WE ARE GOING TO FOLLOW THE LEADESHIP OF THESE TWO MEN WHO HAVE SET UP THE SCIENCE OF CRITICAL METHODOLOGY THAT IS USED TO CHANGE THE WORD OF GOD CERTAINLY WE SHOULD KNOW ENOUGH ABOUT THEIR BACKGROUND TO KNOW IF THEY ARE EVEN A CHRISIAN OR NOT, IF NON BELIEVERS ARE LEADING OUR WAY INTO THE MANY VERSIONS THAT PLAGUE OUR

NATION. I HAVE ASK FOR HELP IN THIS SEARCH AND HAVE RECEIVED VERY LITTLE. ONE SOURCE SAID HE BELIEVED TISCHENDORF WENT TO A MEETING ONCE WHICH WAS EVANGELICAL. HE IS SAID TO BE A BIBLE SCHOLAR, BUT I ASK AGAIN IS THERE ANY INDICATION HE IS A BORN AGAIN CHILD OF GOD. I SEE NO MENTION IN ANYTHING I HAVE READ THAT EITHER OF THEM HAVE BELIEVED THEY WERE CALLED FOR THEIR WORK OR THAT THEY FELT LED BY THE SPIRIT OF GOD OR ANYTHING EVEN CLOSE TO IT.

BLIND LEAD THE BLIND?

Mat 15:10 And he called the multitude, and said unto them, Hear, and understand:

Mat 15:11 Not that which goeth into the mouth defileth a man; but that which cometh out of the mouth, this defileth a man.

Mat 15:12 Then came his disciples, and said unto him, Knowest thou that the Pharisees were offended, after they heard this saying?

Mat 15:13 But he answered and said, Every plant, which my heavenly Father hath not planted, shall be rooted up.

Mat 15:14 Let them alone: they be blind leaders of the blind. And if the blind lead the blind, both shall fall into the ditch.

Luke 6:39 And he spake a parable unto them, Can the blind lead the blind? shall they not both fall into the ditch?

Basically there are two main trains of thought or texts on the composition of the New Testament, first the Received Text or Textus Receptus (Latin for Received Text) which are the Greek manuscripts dating back to the Apostles and given to us from God and mainly coming through the area of Asia Minor. The second is mainly coming from the area of Egypt and Rome often known as The Minority Text, consisting mainly of the Alexandrian Text, Sinaiticus Text, Vaticanus Text, Septuagint and includes the Apocryphal books. The first group feel the Received Text is the only text and it came to us from the time of the apostles in Greek. The second group feel the text primarily from Rome and Egypt are older and often the more correct and the best rendering of the Greek. The King James Version is based on the first line of thinking. The second would therefore have a seemingly endless line of corrections, omissions, additions and changes, it seems to me until the Received Text has been completely done away with and the Minority Text (Alexandrian – Text type) has replaced it. The first group feel that God's Word is infallible and will stand for ever. The second group feel that every word of the bible should be looked at with a critical mind and changes made as needed. The first group feels that God has commanded us not to add to or take away from the Word Of God.

LEADING CRITICAL THINKERS

1. KARL KONARD FREDRICH WILHELM LACHMANN
2. CONSTANTIN VON TISCHENDORF
3. WESTCOTT AND HORT
4. NESTLE - ALAND

COURSED
(direction of progress)

Aristotle, Plato, Socrates and German scholars coursed the direction of Karl Lachmann toward his critical text. Lachmann took the scientific approach to combine critical thinking, science, philology and manuscripts to come up with critical text like Sigmund Freud combining philosophy, science, and the medical field to study the mind scientifically. Lachmann's is now called CRITICAL TEXT, and Sigmund Freud is called PSYCHOLOGY. Both are Humanistic based.

Lachmann coursed Tischendorf , who was a fellow associate and had rediscovered The Codex Sianiticus Text and located The Codex Vaticanus. armed with Lachman's scientific philological critical rules.

Tischendorf coursed Westcott and Hort towards their revised critical Greek New Testament which coursed the critical text of The Revised Version.

The Revised Version help course The American Standard Version.

Regrouping Nestle-Aland's modern revised Greek language version of the New Testament now courses most modern versions.

Many seminaries are armed with the above and course many ministers with many of them who now course the believers. We are now approaching the way it was in the Garden of Eden where criticizing God all began.
