## Understand - 2

Our Nov. 2018 Newsletter was on "Understand". After searching the bible we are convicted that we are so far away from the way GOD intended for us to understand His word. Most of our thinking does not come close to meeting the precepts upon precepts or the whole council of God. We feel we should address understanding wisdom and knowledge at length.

American Dictionary of the English Language - Noah Webster 1828

Understand : 2 To have the same ideas as the person who speaks, or the the ideas which a person intends to communicate. ...

If we are to understand the Bible we must understand or have the same ideas as God intended and not our ideas or some other persons thinking.

Sadly enough many or most of our (so called) modern day Progressive Christians feel they understand and are often the most difficult to reach with the simple truths of the Bible. Even most children are willing and can be taught obedience.
