THE GREAT SHAKING

Most people are not aware of the amount of earth movement that will take place in the last days. We have a number of selected scriptures to indicate what is in prophesy.

In 1811 and 1812 on what is now the New Madrid fault line the worst recorded quakes in North America occurred. According to a recent newspaper article it was stated that experts say there is a 90 percent chance of a quake measuring at least 6.0 on the New Madrid fault line within 25 years. It could be any time. It could be much larger than 6.0. Most agree there has been an increase in earthquake activities.

ALL SCRIPTURES ARE QUOTED FROM THE KING JAMES VERSION OF THE BIBLE.
